5. How does your project fulfill the mission of the Region's Rural Action Plan? If it does not fulfill the mission of the Rural Action Plan, what exceptional circumstances are associated with the project that should make it eligible for funding?

a) Elgin is a rural community and has determined that the Hunaha Park Project is the center piece of its tourism development strategy. The project has been formally endorsed by the City of Elgin, the Elgin Chamber of Commerce and the Elgin 2010 strategic planning group. A community survey and public hearing (Exhibit B) has demonstrated broad public support. The community has determined that tourism is an essential element in diversifying its local economy (Exhibit C), and crucial in fostering the community's future development. (Locally Determined)

b) The award of this grant will provide all the necessary engineering, design, studies, surveys, tests, permits, etc. to prepare the project for construction. It will also provide resources for technical support and/or grant writing assistance to obtain construction funding. These RIF grant funds will thus leverage construction grants, (approximately 5 to 1), that will actualize the completion of the Hunaha park project. (Financing Help)

c) The completion of the Hunaha park project will have a significant impact on the local economy. The direct economic benefits derived are estimated to be equivalent to 2 to 5 living wage jobs, (Exhibit D); The indirect benefits will be much greater, but not easily quantified. Elgin is in an ideal location for becoming the center of Northeast Oregon recreation and tourist activities for all four seasons. Successful completion of this project will be the foundation of the many other tourist industry opportunities available to our community. The RV park will provide the only over-night camping facility within about 20 miles. The raft launch area will highlight the Grande Ronde River as an easy day float from Elgin to Looking Glass. It will also benifit the existing rafting business. (Economic Development Need)
